

WHAT IS THE CAMPUS INTERVENTION TEAM (CIT)?

The Baruch College **Campus Intervention Team (CIT)** is a team of staff members from across the College that work together as a support system to provide assistance to students in crisis. Any member of the college community (faculty, students, staff) can reach out to the CIT to report a concern about a student.

The CIT is constituted to assist in providing support for *students* in crisis. Faculty or staff concerns should be reported to the Office of the Provost or to Human Resources, respectively.

WHEN AND HOW DO I NOTIFY CIT OF A STUDENT?

Concerned faculty, staff or students may fill out an Incident Communication Form found online if they have noticed student behavior which is perceived to be harmful to the student him/herself or to others. This behavior may include:

- Unusual or erratic behavior in class
- Extended absence from class by a typically engaged student
- Written work with troubling themes or references
- Verbal or written threats made by a student toward another student
- Written or verbal expressions of suicidal ideation
- Messages on social media with concerning language
- Other actions which cause an alarm or call into question the safety of the student or peers
