

## Copying and Sharing your YouTube Video Link

Copying and sharing the link to your captioned YouTube video is short and simple.

1. Navigate to [www.youtube.com](http://www.youtube.com)
2. Click Sign In at the top right corner of the page.

3. Enter your e-mail or phone number then click the Next button to enter your password.

4. Once signed into YouTube, click the account icon located at the top right corner of the screen (it will contain an image you chose or a solid circle with a letter in it).

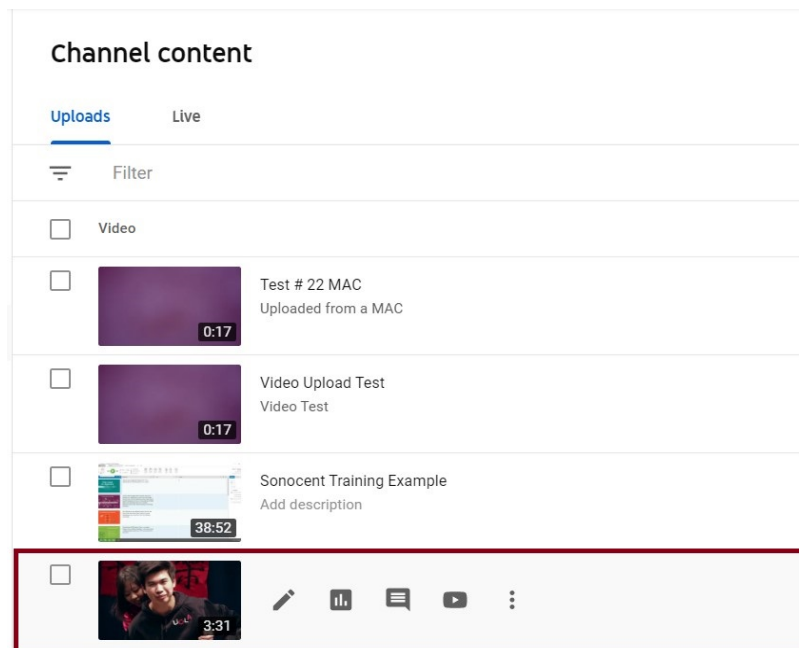

5. Choose YouTube Studio from the menu.

6. In the left navigation menu choose Content.

7. Click the thumbnail image of the video you would like to share under the Channel content section.

8. On the right-hand side under the video, select the Copy Video Link icon.

9. Paste the link into an e-mail to share with anyone you would like to see the video.
