2024 STUDENT ACHIEVEMENT AWARDS

Baruch COLLEGE

WEDNESDAY, MAY 8

Student Achievement Awards

2024

CELEBRATION

Wednesday, May 8 | 5:30–7 pm

Baruch College, Newman Vertical Campus

Each year, a number of our students achieve academic and co-curricular excellence above the norm. The College recognizes these individuals in this annual awards ceremony. The awards are presented through the generosity of alumni and friends of Baruch College. The recipients are selected by committees from the three schools, various academic departments, and the Division of Student Affairs.

Dear Award Recipients,

On behalf of Baruch College, it is our pleasure to congratulate all of you on your fine accomplishments and academic success as recipients of the 2024 Student Achievement Awards.

We are elated to bestow 223 awards to 203 students who are as diverse as all of the areas of study at Baruch College. You have excelled in your majors and co-curricular activities. You have gone above and beyond in helping your fellow classmates get oriented to the college experience and succeed along with you. You have contributed to an inclusive and welcoming environment for all. You have also energized student clubs on campus and ably represented our institution outside the walls of the College.

Your hard work, ethical values, and interest in the world around you are a great source of pride for Baruch's leadership team and the faculty and staff in our three schools and library: the Austin W. Marxe School of Public and International Affairs, the George and Mildred Weissman School of Arts and Sciences, the Zicklin School of Business, and the William and Anita Newman Library.

As soon-to-be graduates, you are also being welcomed into Baruch's 170,000-member-strong international alumni community—some of whom are here today. Many of our alumni have remained connected to Baruch and named the very awards you are now receiving. As you read through this program, you will see that, in many cases, the awards represent our alumni's areas of professional expertise and their personal interests. You are a continuation of their legacy and their pride in their alma mater. On their behalf, we hope that you will always feel—and demonstrate—the same connection to Baruch as they do.

Celebrating generations of excellence is the spirit that brings us together today. We are honored to have so many family, friends, and special guests present to appreciate our outstanding students and the stellar futures that await them.

Sincerely,

Linda Essig, PhD
Provost and Senior Vice President for Academic Affairs

Art King
Vice President for Student Affairs and Dean of Students

VALEDICTORIAN & SALUTATORIAN

SAMANTHA LIU (BBA), *Valedictorian*

Samantha Liu is the Class of 2024 Valedictorian. She has earned a BBA from Baruch College and Macaulay Honors College with majors in statistics and quantitative modeling and minors in human resources management and New York City interdisciplinary studies. Ms. Liu is a Horace W. Goldsmith Scholar and a member of Beta Gamma Sigma, the international business honor society. In keeping with Baruch College tradition, she will give the valedictory, or farewell, address at Commencement.

During her college career, Liu was part of the CUNY College Completion Innovation Fund's (CCIF) Student Advisory Council (SAC). As a senior council member, she served as a liaison between the SAC and CCIF Advisory Board; represented the SAC at the final decision meeting with CCIF members to deliberate funded proposals; and advised more than 30 grant applicants. Liu was named to the Dean's List and served as an Honors peer mentor in Baruch's Honors First-Year Seminar. She was a two-time recipient of the Baruch Collegiate Association of Women in Business's MVP Award because of her outstanding work as a data analyst and membership activities designer. Liu also received the Financial Women's Association (FWA) International Study Scholarship in 2022, which helped fulfil her goal of studying in Seoul, South Korea.

The 2024 Valedictorian interned at the Rockefeller Foundation, New York City Department of Transportation, and Randall's Island Park Alliance. For the past nine years, she has volunteered at P.S. 249 The Caton School as a tutor and teaching assistant. Upon graduation, Liu will join Visa Inc. as an associate in its client services two-year rotation program.

STACI STEINFELD (BS), *Salutatorian*

Staci Steinfeld has been named the Class of 2024 Salutatorian. She has earned a BS in public affairs with minors in psychology and law and policy. Ms. Steinfeld is a Dean's Scholar, perennially named to the Dean's List, and member of the Phi Eta Sigma and Pi Alpha Alpha Honor Societies. Recognized during the 2024 graduation ceremony, she is a featured speaker at Baruch's 2024 Student Achievement Awards ceremony.

During her time at Baruch, Steinfeld was passionate about helping fellow students. She served as an undergraduate ambassador for the Marxe School where she connected with prospective students at recruitment events, introduced them to admissions resources, and shared her experiences. At the Student Academic Consulting Center, Steinfeld was an undergraduate tutor and helped her peers with algebra, economics, and philosophy coursework. Through this experience, she earned her level 1 and 2 certifications from the College Reading and Learning Association. Steinfeld was also a Dean's Scholars Peer Mentor and active member of Baruch's Books & Beyond club, where she served as the secretary.

Steinfeld's extensive internship experience centers on government relations. She has worked for elected officials at the New York City Council, New York State Senate, and New York State Assembly. She is currently a government relations intern at CMW Strategies, a full-service government relations and consulting firm. In keeping with her family tradition of public service and community engagement, Steinfeld plans to pursue a career in legislative affairs after graduation.
